Essay Requirements

On a separate sheet, write at least a 300-word essay on how the events of September 11, 2001, impacted your life and what you plan to achieve through college that can possibly impact the community and/or the world. Be sure to write your name and Social Security number on each page.

Please be concise. You may also include any other information that you feel is pertinent to your application. You may attach only one additional page. Finally, the style and content of your personal statement will be considered when the ASC Scholarship Committee reviews your application. Be sure to include a copy of your College acceptance letter and staple it and this application page to your essay.
